DR. "LOVE" RENEE GORDON

Her innovative Love by Design™ process is more than just a method; it's a testament to her personal journey in love, having herself been engaged to 9 gentlemen whose paths ultimately veered from the aisle. It's this experience that adds depth to her expertise and relatability to her voice, as she guides over 2,500 couples not just to find each other, but to soar together through life's turbulence.

Dr. Renee's impressive background boasts a Doctorate in Philosophical Theology and Advanced Human Sexuality, a rare and enlightening combination that enriches her understanding of the human condition. Her insights and charismatic presence have graced the hit TV show "The Doctors," produced by Dr. Phil's production team, and her contributions to the field have landed her on the illustrious cover of the NY Times.

Beyond her professional accolades, Dr. Renee's personal life unfurls a romantic narrative. She has been blissfully married to her husband, Jim Connolly, for over 23 years—a testament to her abilities to not only attract love but to keep it flourishing. With a specialty in ensuring that "Mr. Wrong" is relegated to the past, she offers a future graced with the right partner, a promise of love that endures.

In the sanctity of her spare time, Dr. Renee's passions extend to the art of cuisine; as a trained professional chef, she delights in entertaining with gourmet food—the same precision and creativity that she brings to her work now expressed through flavors and hospitality. Her elegance and grace are echoed in her past as a professional model, a spokesperson for Shiseido cosmetics, and a visionary designer of women's resort wear clothing and shoes.

Embodying both grace and the acumen of an expert, Dr. Renee Gordon is not just a master connector of loving people; she is the embodiment of a life fully lived, committed to sharing the ineffable joy that comes from finding—and keeping—Your Love at Last.
